

Scholarship Information

The Cancer Fitness Institute has scholarships available for qualifying individuals enrolled in a Colorado based CancerFit® Exercise Program. Participants at sites offering the CancerFit® Exercise Program twice a week **are** eligible for scholarships. Participants at sites offering the CancerFit® Lite Exercise Program once a week **are not** eligible for scholarships.

The following table shows financial eligibility based on the number of family members and annual income levels. These figures are for the size of family unit supported by total GROSS household income- gross income is money made by the individuals BEFORE taxes.

Family Size	Full Scholarship
1	Less than \$28,725
2	Less than \$38,775
3	Less than \$48,825
4	Less than \$58,875
5	Less than \$68,925
6	Less than \$78,975
7	Less than \$89,025
8	Less than \$99,075
program cost:	\$0

In order to verify income for the application process, the program participant will need to provide the CancerFit® Coordinator/Instructor with one of the following for each member of the household that receives income:

1. Pay stubs for a full month from the participant and spouse/partner
2. Retired individuals: Copy of Income Tax Return Form 1040 or Social Security
3. Medicaid/Medicare or Disability: copy of check or other official letter verifying eligibility
4. Unemployed: copy of unemployment check or other official letter verifying eligibility

To apply for a scholarship, the CancerFit® Coordinator/Instructor will need to complete the CancerFit® Scholarship Application and submit it along with supporting documentation to the Cancer Fitness Institute via email. *The application must come from the CancerFit® Coordinator/Instructor, not the participant!*

Email to ashleyp@cpra-web.org

The Cancer Fitness Institute will contact the CancerFit® Coordinator/Instructor once the scholarship eligibility has been determined so the participant may be notified and an assessment date can be established. Allow 1-2 weeks processing time.
