CLARIFICATION, ADDITIONAL INFORMATION, CHANGES:

1. CLARIFICATION

In response to the RFQ for Wadsworth Blvd Widening: 35th Ave to 48th Ave, I was wondering if you can clarify the time on Monday, Dec 7th for the mandatory preproposal meeting. Is it 1:00PM as stated on page 2 or is it 10:00AM as stated on page 13?

Answer:

The **mandatory preproposal meeting scheduled for Monday, December 7, 2015 will be held at 10:00 AM** (as stated on page 13). The meeting will be held at City Hall, 7500 W. 29th Ave., Wheat Ridge CO 80033 in the PD Training Room. Please enter the building from the west side.

2. ADDITIONAL INFORMATION

The conceptual design shown in the video is broken across two slides in the materials from the 4-22-15 public meeting. The slides also have large red stars draped over top of several intersections on the design, covering some of the intersection work. It's difficult to reference the conceptual design this way – scaled down, the line work becomes very indistinct. Is there any way possible to provide a stand-alone file of the conceptual design for the entire corridor?

Answer:

This information has been posted to our ftp site. Once there please select the folder named **[RFQ-JN-15-23 Wadsworth Blvd Env-Eng Consultant](#)** and file named **[2015-07-23 WadsPlanSheets.pdf](#)**.

The conceptual plans consist of 23 pages formatted for 11"x17" color printing. The file size is quite large at just over 43 mb. The conceptual design that is shown is based on GIS planimetrics, no survey work was done.
