The City's area consists of about nine square miles of rolling land adjacent to Interstate 70 transportation corridor between Denver and the Rocky Mountains. The topography is somewhat unique, with a natural ridge traversing the City. The City is a suburban community of approximately 33,000 residents. The City is a home-rule municipality with eight council members, city manager and mayor form of government.

IV. EVALUATION AND AWARD

- A.** After thoroughly evaluating all bids received, the City will award to the lowest and/or most responsive and responsible bidder(s) whose bid meets the requirements and criteria set forth, establishes the ability of the bidder to provide quality goods and service, and conveys the willingness of the bidder to comply with City purchase order terms and conditions (available on our website). Award will be based on the item-by-item bid amount provided by the bidder on the Bid Price Sheet. Do not qualify your bid nor alter the bid format.
- B.** The following is a partial list of criteria that may be used in determining the award:
- Superior quality and adherence to specifications
 - Adequate maintenance and service

- Anticipated future cost

C. The City reserves the right to base its evaluation on the “should-cost” analysis to reflect the real costs to the City arising out of or incidental to the award. Bidding firms should therefore avoid unbalanced pricing and other cost presentation tactics that attempt to understate, conceal, or distort real costs or otherwise take advantage of a mere formula-oriented, non-judgmental type of cost or price analysis. The City shall look to substance more than format, and shall perform its cost and price evaluation on the basis of probable real costs.

The contract and/or purchase order resulting from the bid award is specifically subject to the provisions of said Code Section. Funding of the contract for any time period after January 1st of the year succeeding the original contract date is expressly contingent upon appropriations being made by the Wheat Ridge City Council. No promise—expressed or implied—is made that such funding will be approved by the City Council, acting in its legislative discretion.

- K. **Termination for Cause:** If the successful bidder shall fail to fulfill in a timely and proper manner its obligations, or violate any of the covenants, agreements, or stipulations of the award, the City shall have the right to terminate the agreement by giving written notice to the bidder of such termination. All completed or unfinished work, reports, materials, documents, and anything relating to the project shall become property of the City. The bidder shall not be relieved of liability to the City for any damages sustained by virtue of the breach. The City may withhold payments until the cost of damage(s) is assessed.
- L. **Cancellation / Remedies:** The City reserves the right to cancel any order resulting from this RFB with a sixty (60) day written notice, if the vendor has failed to comply with the terms specified and has been notified in writing of three (3) such failures, and has failed to remedy the problem after each written notification. In the event of cancellation based on lack of contract compliance, the City will not be subject to any early termination or cancellation charges.
- M. **Termination for Convenience:** The City may terminate the award at any time by giving written notice to the successful vendor of such termination and specifying the effective date at least thirty (30) working days prior to the effective date of such termination. In that event, all finished or unfinished services, reports, or materials prepared or furnished by the successful bidder under the award shall—at the option of the City—become its property.
- N. **Indemnification:** The bidder agrees to indemnify, defend and to hold the City and its agents, officials, officers and employees harmless for, from, and against any and all claims, suits, expenses, damages, or other liabilities including reasonable attorney fees and court costs arising out of damage or injury to persons, entities, or property, or sustained by any person or persons to the extent caused by the negligent performance or failure of the bidder to provide services pursuant to the terms of this agreement.
- O. **Cooperative Purchasing Effort:** Other governmental agencies—including State agencies, special districts, counties, municipalities, school districts, etc., may be extended the opportunity to purchase off this bid with the agreement of the successful vendor(s) and the participating Multiple Assembly of Procurement Officials (MAPO) agencies. Each agency or group desiring to participate shall establish its own contract, issue its own orders, be invoiced and make its own payments, and issue its own exemption certificates as required by the vendor.
