I. INTRODUCTION

A. General

The City of Wheat Ridge (the "City") Municipal Building is located in the northwest Denver metropolitan area, with municipal offices at 7500 W 29th Avenue, Wheat Ridge, CO 80033. The City's area consists of about nine square miles of rolling land adjacent to Interstate 70 transportation corridor between Denver and the Rocky Mountains. The topography is somewhat unique, with a natural ridge traversing the City. The City is a suburban community of approximately 33,000 residents. The City is a home-rule municipality with eight council members, and a city manager and mayor form of government.

B. Background

The City of Wheat Ridge -Police Money Purchase Pension Plan (WRP-MPPP) is a single employer public employee retirement system (PERS) defined contribution retirement plan. WRP-MPPP has been qualified as a tax deferred plan under §401(a) and §501(a) of the Internal Revenue Code. As a government, the 401(a) Plan is not required by law to follow provisions set forth by ERISA, which means the Plan is not required to file Form 5500. Although exempt, the Plan looks to federal regulations such as ERISA and the Pension Protection Act (PPA) as a template for Plan provisions and overall governance.

The Plan covers approximately 100 participants (active, terminated and dispersing) and has current assets of approximately \$27 million. Employees must make a mandatory contribution of 10 %, which is matched equally by the City. WRP-MPPP is a self-directed Plan that offers participants distribution options once they reach age 70.5 or older. The Plan does not permit loans, hardship distributions, or any other disbursement options (other than QDRO) to participants under age 70.5.

The day to day contact at ICMA-RC, the Plan's Administrator and recordkeeping firm, will be available to assist with the annual plan audit(s) in a supporting role by providing information, documentation, and explanations where necessary.

The incumbent firm is Brock & Company, who last completed an audit of the WRP-MPPP in March of 2013 for the two-year period of January 1, 2009 through December 31, 2011.

C. Objectives

The goal is to contract with a qualified individual or firm to provide exceptional MPPP audit services for the assigned project period of January 1, 2015 through December 31, 2016, with the option to renew for subsequent audit assignments.

II. STATEMENT OF WORK

The actual services to be performed will be determined by the City's Police Pension Board of Trustees, to include—but not limited to—the following areas:

As a non- ERISA Governmental 401(a) Plan, the City of Wheat Ridge-Police Money Purchase Pension Plan is not required to file Form 5500 Schedule C or comply with pending legislation pertaining to 408(b)(2). Furthermore, compliance testing, such as nondiscrimination tests, is not required due to mandatory participation at a flat contribution rate for all department employees.

The independent auditing firm must be able to obtain reasonable assurance about whether the Plan's financial statements are free of material mis-statement. Such an audit shall consist of an assessment, on a test basis, of the internal controls and documentation supporting the amounts and disclosures in the financial statements. This assessment may include, but is not limited to:

- Review of ICMA-RC and Trustee's SSAE 16
- Review of a reasonable sample of participants' transaction paperwork
- Reconciliation of financial reports
- Evaluation of internal controls including fraud prevention, illegal acts, Trustee expense reports and policies, and Plan expenditures

The Board of Trustees does not require a firm representative to attend regularly scheduled Board meetings. The firm's findings pursuant to the audit shall be presented to the WRP-MPPP Board of Trustees in a brief summary report upon completion of the work your firm has been contracted to perform. The WRP-MPPP Board of Trustees reserves the right to deem an in-person annual audit review unnecessary. At this point, the Board prefers to review the audit draft with a representative of your firm before said draft is approved by members of the Board as a final copy.

Upon completion of the initial screening process, all qualifying proposals will be presented to the WRP-MPPP Board of Trustees selected evaluation committee for further review.

Proposals may be subject to two rounds of Trustee committee evaluations. The selection committee may either recommend an award based on the proposals alone, or elect to short-list firms and conduct interviews.

Representatives from no more than two firms may be asked to meet with the selection committee for finalist presentations. The short-list process includes written notification to the short-listed firms, interviews with firm members, reference checks on the top-ranked firm, and the negotiation of fees. The Board also reserves the right to request on-site visits in order to get a feel for the finalists' qualitative and cultural components. After the finalist interviews are conducted, the contract will be awarded to one firm based on majority vote of the WRP-MPPP Board of Trustees.

- 1) **Short List:** Submittals will be evaluated in accordance with the evaluation criteria above. The panel will review and score all proposals received. Firms with the highest scores may be invited to participate in oral interviews with the evaluation committee.
