City of Wheat Ridge Hosts Open House for Clear Creek Crossing Project

WHAT: City officials will present an update on the traffic study currently being conducted for future development at the Clear Creek Crossing site.

WHO: City staff and project team from construction management firm Parsons Brinckerhoff.

PHOTO OPP: Staff and project team will begin their presentation at 6 p.m.

WHEN: Tuesday, December 9th, 2014

TIME: 5:30 – 7:30 P.M.

WHERE: Wheat Ridge Recreation Center, 4005 Kipling St., Wheat Ridge, CO 80033

BACKGROUND: In 2006, the City completed the Interstate 70/32nd Avenue Environmental Assessment. This plan contemplated full build-out of all commercial development and required transportation improvements in the area bounded by I-70, State Highway 58 and 32nd Avenue. The City has since marketed the 240-acre site for development, but the required infrastructure improvements make the project cost-prohibitive for developers. This new study looks at a phased approach, determining which transportation improvements are necessary for smaller pieces of commercial development to occur. For more information on this project please contact Scott Brink, Public Works Director at 720-732-7511.
