

## Outside Agency Program Report 2012-2017

The City of Wheat Ridge is committed to enhancing the quality of life for others and the Outside Agency Contributions Program is one way the City gives back to the community. Priority shall be given to those organizations that provide programs and services that benefit and enhance the quality of life for the citizens of Wheat Ridge.

\* There were significant changes to the Outside Agency Program for the 2017 cycle. A citizen committee was formed to make recommendations on funding levels and the process was more formalized to include organizations being funded via other programs in the City. There was **not an increase to the budget** but rather funding that moved to this program instead of being spread out in different programs.
